What other reason?

- Been there done that. Have ridden the trail in both directions
- Been there, done that! Lots of other rides I haven't done yet - nothing personal
- Cool weather.
- Different vacation.
- Don't know about schedule.
- I'm 14.
- I would prefer to do a road ride.
- Just wanted to do the ride once.
- Limestone was very difficult to ride on and very hard on my bike.
- Might like to try a fall ride or a B&B option.
- Morning departures are way to early!
- Not my thing.
- Prefer cooler temperatures.
- Summer is too hot in Missouri, if I ride it would be during another season.
- Too early of a departure.
- Too far in advance to plan our 2007 vacations we may want to see a different area next year.
- Too hard for me to get away from work most of he time.
- Too hot.
- Too hot, no activities/sights in towns between end points.
- Undecided.
- We will probably travel elsewhere next year.
- Will do something different next year.
