

# Night at the Museum

**Friday, February 16, 6:30 - 8 p.m.**

Watch history come to life at Mastodon State Historic Site! Learn about the stories contained within the museum through fun crafts and activities. End the night with a fossil fact-finding mission by flashlight.

**This is a FREE interpretive program designed for families with children. Registration is required and space is limited. To register, visit [icampmo.com](http://icampmo.com) or call the site office at 636-464-2976. This program will take place in the museum auditorium.**
