

# First Missouri State Capitol State Historic Site

ST. CHARLES, MO

## Mother's Day Tea

**Saturday, May 3  
Noon to 2 p.m.**

Throughout history, tea parties have been a way for people to spend quality time together with family members and friends. And quality time is the best gift you can give someone – especially your mother! Come join us in the interpretive center at First Missouri State Capitol State Historic Site for a tea party to celebrate a mother in your life. (If you are a mother, be sure to share this with you children!)

Interpreter Emily will be serving different types of tea and a light sandwich lunch while covering the history of tea from antiquity to the present.

**This program is free to the general public. Preregistration is required.**

For more information or to register, please call **First Missouri State Capitol State Historic Site** at **636-940-3322** or visit us at 200 S. Main St. in downtown St. Charles.
