See Katy Trail State Park on a Tram Tour!

Senior citizens can experience Katy Trail State Park from the comfort of a tram coach on the Tuesdays on the Trail tours. The tram tours are round trip and last approximately 2 hours. A variety of routes offer visitors a chance to see stretches of the trail they may not be able to experience otherwise.

Each tour will host approximately 50 people. An interpretive guide with a PA system will provide a presentation on the history of the Katy Trail, and commentary on the local natural and cultural history along the trail. Snacks and bottled water are provided to each participant.

Tours are free but space is limited and preregistration is required. Registration is limited to 6 seats per person. Registration opens on the first Tuesday of the month preceding each tour.

Online registration will open at midnight at mostateparks.com.

Phone registration will open at 8 a.m. at 573-449-7402.
