

FREE INTERPRETIVE PROGRAMS

MONDAYS AT MASTODON

Learn and have fun at Mondays at Mastodon! This FREE summer program series is designed for families with elementary-aged children, but all families are welcome. Each Monday at Mastodon will focus on a different topic and will include fun activities and demonstrations. Registration is strongly encouraged. Programs will take place in the museum auditorium.

June 26, 2 p.m. ROCKIN' REPTILES

Learn about local reptiles, "shell"-ebrate turtles with a fun craft, and meet a friendly snake!

July 10, 2 p.m. COOL CAVES

Missouri has over 7,500 caves! How do they form? What do they contain? Get answers to these questions and make a cave painting!

July 24, 2 p.m. ANIMAL ADAPTATIONS

Find out how and why animals adapt to their environments. Learn about some awesome adaptations through games and activities.

August 7, 2 p.m. FANTASTIC FOSSILS

How do fossils form? Figure out this and more as we look at fossils and skulls of animals that left them behind.

MASTODON STATE HISTORIC SITE MUSEUM
