

# Sips, Stars and Meteors

**Friday, August 11, to Sunday, August 13, 2023**  
**Washington State Park**

View the annual Perseid meteor shower under the dark sky, and experience two nights of camping in the Big River Day-Use Area!

Storyteller Flavia Everman will kick off interpretive events at 7 p.m. on Friday, August 11.

On Saturday evening, August 12, park interpretive staff will present programming and activities for children and adults, and Edg-Clif Vineyard and Fyre Lake Winery will be on-site to provide limited free samplings to adults 21 and over.

**Advance registration is required for this event. There is a nonrefundable \$10 registration fee.**

Registration can be completed online or by calling the park office at 636-586-5768. Each registration secures a spot for up to six people. No RVs, generators or individual campfires will be allowed at this tent camping event. Event area amenities include pit latrine restrooms, potable water and a group fire pit. No electricity or flush restrooms are available.

For more information, visit our website at [mostateparks.com](http://mostateparks.com).

All events are weather and conditions permitting and subject to change. Washington State Park is located at 13041 state Highway 104, 10 miles south of De Soto via state Highway 21.
