

Nature Journaling Workshop

Saturday, August 12, 2 p.m.

Nature journaling promotes gratitude, curiosity and reverence. Join us for this for this FREE interpretive program where we'll dive into the world of nature journaling. We'll create our own beginner's journal and discuss techniques to fill it. Then, we'll explore the Limestone Hill Trail and begin to fill up our journals. Participants are encouraged to bring their own art supplies. Don't have any or don't know what to bring? Don't worry—we'll provide the basics! Workshop will meet at the Mastodon State Historic Site museum, located at 1050 Charles J. Becker Drive in Imperial.

Registration is required. Space is limited.

For questions or to register, call the site office at 636-464-2976.
