

**MISSOURI
MINES STATE
HISTORIC SITE
Old Mine**

Open House

Saturday, September 30, 2023

9 a.m. to 5 p.m.

Missouri Mines State Historic Site will host the Old Mine Open House, an event that honors the Lead Belt's area mine workers. Retired miners and other lead company workers are invited to attend the event, meet with others, and talk with attendees about their experiences. Activities for kids will include a mineral ID sand table and a mine car shovel contest, and storyteller Eric Haynes will present a special story time program (time to be determined).

The museum will be open for guided tours on the hour from 9 a.m. until 4 p.m. Guests may also view the exhibits on their own. Museum admission is free for this event!

Missouri Mines State Historic Site is located at 4000 state Highway 32 in Park Hills. For more information about this event, call the site at 573-431-6226.
