

MASTODON STATE HISTORIC SITE GEOLOGICAL ERAS TOUR

SUNDAY, OCTOBER 6 2 P.M.

Join us for a Geological Eras Tour along Spring Branch Trail. During our 0.8-mile walk, we'll cover 550 million years of planetary and evolutionary history. This to-scale hike will inform visitors about the chronological relationships between major events in Earth's history. This is a FREE interpretive program for all ages. Registration is required. Interested parties may register online at icampmo.com or by calling or texting the site interpreter at 636-215-9784. We will meet at the trailhead in the picnic area, at 1800 Seckman Road in Imperial.
