

INTERNATIONAL ARCHAEOLOGY DAY MASTODON STATE HISTORIC SITE SATURDAY, OCTOBER 21

10 A.M.-3 P.M. ARTIFACT DISPLAY TABLES, CHILDREN'S TABLE AND ATLATL THROWING

This is a drop-in program for all ages. All activities are free, and registration is not required. Activities will take place outside the museum, located at 1050 Charles J. Becker Drive in Imperial. In the event of inclement weather, table activities will be moved indoors.

10-10:45 A.M. SECRETS OF THE SOIL

What secrets does the soil contain, and how does this information help archaeologists learn about the past? In this workshop, we'll use hands-on activities to learn about soil science and archaeology.

This program is designed for families with children in grades one through three. It is FREE, but registration is required. Call the site office at 636-464-2976 or visit icampmo.com to register. Participants should meet outside the museum.
