

Explorer Hour at Mastodon State Historic Site

Become a Missouri State Parks and Historic Sites explorer! This program is a great way to learn about nature and Missouri's past. Interpreters will lead a hike along our 0.8-mile Spring Branch Trail. We'll have additional hands-on activities to help you launch or complete your Explorer patch journey. Bring out the whole family – this program is for all ages. *Anyone at any age can become a Missouri State Parks Explorer!*

**Saturday,
OCTOBER 28
2-3 p.m.**

To earn your Explorer patch, complete the following projects at one or more state parks or historic sites:

Part I:
Interpretive Study
With the assistance of interpretive staff, complete two activities to learn more about the park.

Part II:
Interpretive Programs
Attend at least three interpretive programs led by staff.

Part III:
Identification
Identify 10 important things. Give the name and the importance to the park or site.
