

Have you ever wanted to explore the great outdoors but did not know where to begin? WIN: Women in Nature is a series of outdoor skills events being offered at multiple state parks throughout the year. There are several options for you to choose from to fit your schedule and interests. All classes are taught by women and created for women, and provide the opportunity to learn by doing.

Registration is required, and space is limited.

Visit mostateparks.com/win to register and get more information.
