

# STARGAZING PARTY

STOCKTON STATE PARK · NORTH SHELTER  
SATURDAY, AUG. 3, 2024 · 8-10 P.M.

Explore the night sky with us for a stargazing party! Star and planet locators, as well as filtered flashlights, will be available to identify and discover the different planets and constellations space has to offer.\* Bring a chair and/or blanket and join us!

\*Locators and flashlights are limited and available on a first-come, first-served basis. We encourage bringing your own if possible. Red filtered flashlights are preferred to minimize light pollution.

*This event is free and open to the public!*

*Contact the park office at 417-276-4259  
for more information.*
