Arrow Rock State Historic Site

Missouri State Parks has received a \$20,000 grant through the federal Historic Preservation Fund. Arrow Rock State Historic Site will use the grant to conduct a historic/archaeological survey of the recently acquired Sappington Negro Cemetery to record and map the history, headstones and features at the cemetery.

This notice serves to make the public aware of the project and solicit comments pursuant to Section 106 of the National Historic Preservation Act and the National Environmental Policy Act. The comment period is open for 30 days from the date on this announcement. To provide comments or learn more information about this project, please contact moparks@dnr.mo.gov.

The National Historic Preservation Act of 1966 authorizes a program of federal matching grants, known as the Historic Preservation Fund, to assist the various states in carrying out historic preservation activities. The program is sponsored by the U.S. Department of the Interior, National Park Service, and in Missouri, is administered through the Department of Natural Resources' State Historic Preservation Office.
