43. HISTORY AND SIGNIFICANCE This house was constructed for A.L. Guitar, a lawyer, in 1916. The cost listed on the building permit was \$3500. This home is in the worst condition of the homes in this district, due to lack of upkeep. However it is a home done in the Foursquare style, along w/ majority of homes in the district. So it does hold some significance.			
44. DESCRIPTION OF ENVIRONMENT AND OUTBUILDINGS Located on the edge of a residential area east of Krug Park.

43. HISTORY AND SIGNIFICANCE This was the home of one of St. Joseph's most famous businessmen, Henry Krug Jr. The Krug family played a vital role in the shaping of the city. There were involved in the stockyards, Banks, Libraries and many other organizations. Henry Krug had this home built for his wife, Selma Hegner, and the two of them lived there until his mother's death in 1920. Then Henry moved back into his childhood home "Pine Ridge".

porte-cochere. Inside the pediment above the entrance there is decorative leaf work and the initials "HK". On the corners of the porch & porte-cochere roof are square towers. The bottom 4-5 feet of the house is asphalt and the rest is done in brick. There are two belt courses that separate the first and second floor. and two more between the second and third. The roof of the tower is cone shaped w/ exposed rafters & a copper tip. The main gable is also a balcony w/ a semi circular opening in the center. The gable also has exposed rafters. There is a hipped dormer on the East elevation w/ 1 over 1 windows. There is a wooden four car garage to the north of the main structure. Also on the property is the carriage house it is made of brick has 2 over 2 windows. It has a hipped roof w/ asphalt shingles and a hipped dormer on the south elevation w/ 1 over 1 windows.

#43. cont'd.

2. The house was turned into apartments and eventually vacated and sat empty for about 25 years. However when the current owners , Charles & Donna Nill , purchased the house they remodeled and enhanced the building restoring it to better than new conditions.

43. HISTORY AND SIGNIFICANCE In 1921 E.N. VanHorne, cashier at Amer. Natl. Bank, occupied this two story residence. He purchased the land from Krug Park Co. This house is the only one of its kind in this district & would be an important part of a historic district. Further research is needed to determine the date of this house. <i>hand purchase record should show date of purchase</i>

42. FURTHER DESCRIPTION OF IMPORTANT FEATURES Intersecting gables on east elevation. Aluminum awnings above 6 over 6 windows on north, south & east elevations. The east elevation has 4 over 4 windows on the side of an 8 over 8 picture.

43. HISTORY AND SIGNIFICANCE This building was constructed in 1938 for the Superintendent of Auto Theft for the St. Joseph Police Dept., W.W. Davis. The cost according to the building permit was \$2000. The lot of land to the south of the building was the site of a home that was razed in 1927. This would be a valuable addition to a historic district.

44. DESCRIPTION OF ENVIRONMENT AND OUTBUILDINGS This house is located on the edge of a residential area south of Krug Park.

window. Newer wood deck w/ lattice screening on north elevation. There is a garage attached to the building as a split level. The taller gable on the south elevation continues on into a curve the form the roof of the garage. The deck is located on top of the garage. There is also elaborate brick arrangement in the gables. A brick porch w/ a metal railing is located on the east elevation. The entire property is surrounded by an ashlar retaining wall. On the south elevation of the retaining wall is stairs which probably led to the previous home located on the property.

ion w/sloped roof & wood siding. A detached 3 car brick garage is located on the west elevation. There is a brick retaining wall on the east elevation.

A black and white photograph of a snowy hillside. In the foreground, a wooden utility pole stands on the left, with a rectangular sign attached to it. The sign has the text "EMERGENCY 2 SNOW ROUTE" in white on a dark background. The hillside is covered in snow and dotted with various trees, including evergreens and bare deciduous trees. In the background, a house is partially visible through the trees. The scene is captured in a high-contrast, grainy black and white style.
