

Lewis and Clark State Park

Accessibility Information

The symbol  indicates that the specified area is fully compliant with Americans with Disabilities Act Accessibility Guidelines (ADAAG).

Park Office

The park office provides one handicap parking space with a paved pathway to the entrance. The interior has plenty of room for maneuverability. An exterior information board is available for when the office is closed.

Picnic Area

Paved, level parking provides two handicap spaces with a pathway to an accessible picnic site. The shady site offers a water fountain, an extended-end table and a pedestal grill with a paved pathway to the accessible playground.

A second accessible picnic site is located next to an information kiosk, overlooking the lake. It is a sunnier site and provides a handicap parking space, an extended-end table and a pedestal grill.

The restroom in this area is not modified. The closest accessible restroom is in the campground. An accessible vault toilet is in the boat launch area.

Shelter House

The shelter house, overlooking the lake, provides one handicap parking space with a paved pathway, a water fountain, extended-end tables, lights, electric outlets, a group grill and a fireplace. It accommodates up to 90 people.

Boat Launch Area

This area provides a level, paved parking and staging area with an accessible vault toilet. A one-lane paved boat launch is located at the far end. Picnic sites in this area are accessed over natural turf.

Beach

Parking is level, paved and unmarked. The sand beach is accessed over grass turf with minimal slope.

Campground

Three electric sites are accessible and provide an extended-end table, fire ring, lantern post and pedestal grill. Paved water hydrants are conveniently located nearby.

The play structures in the campground are on sand and not modified for accessibility.

The showerhouse offers level parking with paved pathways, a roll-in shower and a side-transfer toilet for each gender. Lavatory handles are round. Lowered mirrors and electric hand dryers are also provided.
