

## Rock Bridge Memorial State Park Accessibility Information

The symbol  indicates that the specified area is fully compliant with Americans with Disabilities Act Accessibility Guidelines (ADAAG).

### **Park Office**

The park office is accessible and houses a small park store and park information. Handicap parking is provided. Heading south on Hwy. 163, the park office is the second right after you enter the park. Or, coming from the Devil's Icebox parking lot, it is the first entrance on the left.

### **Shelter Area**

A paved pathway connects the accessible shelter and a nearby shady picnic site to two handicap parking spaces. The pathway has a maximum slope of 5.8% for 20 feet just before reaching the shelter. The shelter accommodates 60 people and provides a group grill and extended-end tables. The individual picnic site has a pedestal grill and an extended-end table and is adjacent to the area's water fountain. A flush restroom is conveniently nearby for all users.

### **Historic Area**

Just up the slope from the shelter is the old Hickam Cabin, which is representative of the architecture in the late 1820s to early 1830s in this area. It sits on a grassy knoll and can best be reached from the office parking lot for visitors who may be restricted by slopes. Access is over natural turf.

### **Picnic Area**

This attractive picnic area has an accessible flush toilet with paved parking that has a 3 percent slope as you pull in. A water hydrant is provided at this location.

The playground area provides two handicap parking spaces, which have a 3 percent slope. Two mostly shady picnic sites with extended-end tables and pedestal grills are connected to the playground, water fountain and parking by a paved pathway. The playground itself is not accessible at this time.

### **Natural Bridge Area**

This popular area provides two handicap parking spaces adjacent to the accessible vault toilet, in front of the informational kiosk and at the south end of the parking lot. A concrete pathway leads to the kiosk. A packed trail across three bridges connects with a boardwalk that leads you to the natural bridge for which the park is named.

### **Special-Use Area**

This area is not considered accessible. All base is natural turf and is located on a slight slope. The vault toilet has not been modified. Two fire grills and picnic tables are provided.

Missouri Department  
of Natural Resources  
Division of State Parks

## Rock Bridge Memorial State Park Accessibility Information

### Trails

The portion of the Springbrook trail ,to the right of the Devil's Icebox kiosk up to the bridge, is accessible over natural turf. Devil's Icebox trail is partially accessible from trailhead to the rock bridge.
